INTEGRATED MANAGEMENT SYSTEM POLICY (QUALITY – ENVIRONMENTAL – HEALTH & SAFETY)

DOC. NO: RIPL/IMS-AIMSP/05/00
Issue No: 01

RenewSys India believes in delivering consistent PV Solar Cells and Modules to its customers while protecting the environment and safety in its operations.

It delivers on this commitment through processes and systems that:

- Meet customer's quality and delivery requirements.
- Prevent injury and ill-health of its employees, visitors, contractors and other stake holders.
- Comply with applicable legal and other requirements.
- Provide appropriate training to its employees and casual staff
- Review IMS periodically for its relevance, effectiveness and continual improvement.
- Communicate individual OH & S obligations to every employee
